

**JOB POSTING: Senior Accountant/Controller  
Certified Public Accountant (CPA)**

**DATE POSTED: January 6th, 2025**

**APPLICATION DEADLINE: Monday, January 20th, 2025**

**Kahkewistahâw Economic Management Corporation (KEMC)**

Location: Yorkton, SK

Reports to: Chief Financial Officer (CFO)

Job Type: Full-Time Hybrid position

**About Us:**

Kahkewistahâw Economic Management Corporation (KEMC) is committed to advancing the economic goals of our community through robust financial management, strategic investments, and community-focused business development. We work closely with our partners and stakeholders to create sustainable growth that aligns with our nation's values and vision for future prosperity. We are currently seeking a highly skilled Certified Public Accountant to join our team and drive financial excellence across our initiatives.

**Job Overview:**

The Certified Public Accountant (CPA) Controller reports to the Chief Financial Officer and will oversee and manage the financial operations of KEMC. This position will be responsible to supervise staff, and will involve handling complex financial reporting, budgeting, and auditing processes, while ensuring compliance with all relevant regulations. The ideal candidate will bring strong analytical skills, deep knowledge of accounting principles, and a commitment to supporting KEMC's mission.

**Key Responsibilities:**

- Oversee daily financial operations, including budgeting, forecasting, and reporting
- Prepare accurate monthly, quarterly, and annual financial reports
- Conduct financial analysis to support strategic planning and decision-making
- Ensure compliance with local, federal, and Indigenous regulatory requirements
- Manage audits, tax filings, and other compliance activities
- Provide financial guidance and recommendations to senior management
- Collaborate with internal teams to develop and monitor financial strategies

**Skills and Qualifications:**

- CPA certification required
- Bachelor's degree in accounting, Finance, or a related field
- Minimum of 5 years of accounting experience, preferably in a corporate or Indigenous organization
- In-depth understanding of GAAP, tax regulations, and audit processes
- Strong analytical, organizational, and communication skills
- Proficiency in accounting software and Microsoft Excel MS office products
- Ability to work independently and manage multiple priorities in a fast-paced environment

### **Why Join KEMC?**

This is an opportunity to play a meaningful role in driving economic growth that benefits the Kahkewistahâw First Nation community. As a Senior Accountant at KEMC, you'll work in a dynamic, mission-driven environment, collaborating with a passionate team dedicated to supporting Indigenous-led economic success. KEMC provides a competitive salary and comprehensive benefits plan.

### **How to Apply:**

**Please submit a cover letter and resume to: [jdelorme@kemcdevelopments.com](mailto:jdelorme@kemcdevelopments.com) by Monday, January 20th.**
